

Fall 2022

Dear school staff liaison:

On behalf of the Saskatchewan Teachers' Federation, I want to thank you for assuming the role of school staff liaison. As an STF school staff liaison, you provide a vital communication link between Federation members and the local and provincial levels of our professional organization.

The attached package is intended to assist you in your role as a school staff liaison by providing you with pertinent information on your duties as well as the Federation's services and initiatives. Monthly mailings will be sent to you on the first Tuesday of each month. We encourage you to share the information received with the Federation members in your school. Please note, each item in the mailing will also be highlighted in the *What's New at the Federation* e-newsletter, which is emailed to all members on the same day as the mailings.

If you have any questions about the information contained in the portfolio or questions related to your role, please feel free to contact any member of the senior administrative staff of the Federation.

Again, I want to thank you for fulfilling this important role on behalf of your professional organization.

Sincerely,

Bobbi Taillefer
Executive Director
