

Invitation

To: Professional Growth Networks President and Executive
From: Scott Burant
Managing Director, Member Services
Date: July 25, 2018
Re: Professional Growth Networks Day – September 22, 2018

This year's Professional Growth Networks Day will be held on Saturday, September 22, 2018 at the Saskatchewan Teachers' Federation in Saskatoon. To register your network's executive, you will find the registration form and information sheet on our website in the Events Calendar.

The day's agenda will be a continuation of our June 1 Visioning Day and discussion regarding the future model of professional growth networks. An agenda will be added to the [Events Calendar](#) in August.

Registration Form

- Complete the registration form by Friday, September 14 so appropriate arrangements can be made. Please be sure to indicate whether you are staying for lunch or not.

Meet With Your Network

Networks are welcome to meet after lunch until 5:00 p.m. in any of the meeting rooms available.

- If your network would like to meet after lunch, please let Colleen Paulhus know by September 14 and a Federation Meeting Space Agreement will be forwarded to you to complete and return so the room can be booked for you at no charge.

Please forward this information to other and new executive officers of your network. If you have any questions, please do not hesitate to contact Colleen or me by email at mervices@stf.sk.ca or phone 306-373-1660, 1-800-667-7762.

We wish you a restful and relaxing summer and look forward to seeing you on September 22.
