

Volunteer Overseas with CTF!

Are you ready for something more in your professional life?
Are you looking for a larger, more global view of education?
As a teacher, do you feel you have more to offer and more to learn?
Are you ready for a personal and professional adventure?

If yes, Project Overseas might be for you!

Together, we seek English- and French-speaking Canadian teachers at the primary, elementary and secondary levels who are interested in volunteering to offer in-service in a wide range of subjects in countries throughout Africa and the Caribbean.

Over 50 Canadian teachers are chosen annually to volunteer on CTF's Project Overseas. When on Project Overseas, Canadian teachers give their time and skills to offer professional development in-service programs in partnership with teacher organizations in developing countries. Teams of Canadian teachers are formed in January and sent overseas during July and August.

Application forms as well as information on CTF requirements and STF selection criteria can be found on STF's website, www.stf.sk.ca > Professional Resources > International Opportunities.
