FOR MEMBERS

The Saskatchewan Teachers' Federation has worked to support members and advocated for excellence in public education for 90 years. The Federation is a professional organization for over 13,500 members across the province who are trusted and respected leaders in education.

The STF works to represent and advocate on behalf of the collective, while also supporting individual member's aspirations and needs. Every program, service and resource offered is designed to enhance the well-being and success of members as we work diligently to ensure the success of all students across the province.

The Federation is dedicated to ensuring members have the supports they require, as well as advocating for sufficient funding and resources for public education.

SUPPORTING PUBLIC EDUCATION

Mandated by legislation through *The Teachers' Federation Act, 2006*, the STF is dedicated to improving the quality of education and support for its members by:

- Advocating on behalf of all members and public education.
- Supporting the rights, interests and well-being of all students, teachers, schools and communities.
- Representing members and the teaching profession with the highest standard.
- Supporting lifelong learning of members.
- Supporting teachers by providing high-quality service to fulfil their professional needs.
- Administering pension and benefit plans for members and their families.
- Ensuring governance and administration is done with integrity.
