

March 18, 2020

Due to the State of Emergency declaration in the Province of Saskatchewan and recent increase in the number of presumptive cases of COVID-19 in the province, the Saskatchewan Teachers' Federation has closed all of its buildings to the general public effective March 19, 2020.

The health, safety and well-being of our employees and members are the Federation's top priorities and we are following the lead of Canadian public health authorities at this important time. We are committed to providing comfortable and safe work environments.

A number of other measures will take place immediately as well. These measures will be posted here in the coming days so please visit this page as frequently as possible.

In the meantime, please visit the Government of Saskatchewan's [COVID-19 information page](#) to find out how you can help flatten the curve.
