

May 27, 2020

We continue to follow the advice of the Saskatchewan Chief Medical Officer of Health, adjusting our working conditions to coincide with the phases of the Re-Open Saskatchewan plan. The health and safety of our members and staff are of the utmost importance. We will only transition back to working in the office, holding meetings and hosting events as can be done safely and while following the social distancing and other preventative measures, as recommended by public health officials. We will scale up or down as required.

Beginning June 8:

- Our head office and Arbos Centre for Learning are open to the public for regular business hours.
- Our Regina office is open by appointment only.
- We will be offering all services while also ensuring the safety of our staff by limiting the number of staff working onsite.
- External bookings are not permitted in any of our facilities at this time.
- We ask that visitors refrain from visiting our offices if feeling unwell.
