Dear mom I hope you had a good day! I hope you will say yes
to this, but I want to go to disnyland.
So please take your time to read this note

I hope you like all my reasons. My first
reason is we can spend lots of time together there,
you won't have to do any massages in disnyland,
my second reason is
I can ~~never~~ be on a plane and if we go you
can be on the rides with me. My third reason is

there are lots of restaurants in disnyland
you could go and have a night out I would
stay with Lloyd. So please please take me to
disnyland! thanks for reading my note

please tell me when you decide.

love:

Dear [redacted] Grade 2 - #4

you are a great brother!

Do you have those green under pants that you wear every day? It's me...the green under pants. I have to tell you something. I have four reasons why I don't want you to wear me any more! My first reason is you never wash me! And that is not very nice! and I'll stink! My second reason is you throw me on the floor when you are not using me. I don't like it because I bump my head when you throw me. My third reason is you wear me all the time I don't like it because I get smelly. my fourth reason is the best reason Elliott farts to mash!

I don't like it because you stink when you fart. I have to plug my nose and it is hard because you are wearing me! the end. Oh and Elliott remember don't wear those under pants! Love the under pants!
