VALUES

PUBLIC EDUCATION

High-quality public education is a universal right for all children and youth. Government, boards of education, the profession and the public share responsibility and are accountable for its success.

The Federation values public education that is:

- Beneficial to all of society.
- Publicly funded.
- Universally accessible – meeting the needs of all students.
- A source of community pride and well-being.
- Inclusive of the public voice.

THE PROFESSIONALISM OF TEACHERS

The Federation values the professional responsibility that teachers demonstrate through:

- Maintaining high standards of care, conduct and competence to ensure high-quality professional practice for the well-being and growth of all children and youth.
- Exercising professional knowledge, judgment and experience which is the foundation of the public's trust and confidence.
- Engaging in reflective practice, learning and collegiality.
- Engaging in the governance and activities of the Federation.
- Strengthening respectful relationships with parents, community members and others in the education sector and beyond.

QUALITY SERVICE TO MEMBERS

The Federation is committed to supporting teacher and student success by addressing a wide range of issues and needs regarding teacher professionalism, working conditions and the quality of education.

The Federation values high-quality and equitable services to members that support:

- The health and well-being of teachers.
- Timely and relevant learning opportunities for teachers.
- Working conditions that enhance teaching and learning.

COLLECTIVITY

The Federation values teachers' professional collective voice:

- By actively engaging teachers in advocacy efforts and campaigns promoting excellence in public education.
- As a way of strengthening the public's confidence in the professionalism of teachers and the Federation.
- As essential to good governance.

SOCIAL JUSTICE, INCLUSION AND EQUITY

The Federation is committed to addressing barriers and promoting actions that allow students, teachers and others to achieve their full potential in all educational and societal settings.

The Federation values social justice, inclusion and equity by:

- Promoting safe and inclusive teaching and learning environments.
- Addressing systemic barriers in the education system and throughout society.
- Engaging in meaningful dialogue and partnerships within classrooms, schools, communities and society that nurture and affirm social inclusion.

A COMMITMENT TO RECONCILIATION

The Federation acknowledges the Truth and Reconciliation Commission Calls to Action and commits to furthering the work of reconciliation in order to improve the experiences of all teachers and students in Saskatchewan.
